

MY FIRST VOCABULARY Part 2

By ProfGermandario

This booklet organizes a core list of common English words into two beginner-friendly groups: verbs and adjectives. Green represents verbs, and red represents adjectives in the learning activity format requested by the author.

How to use this booklet

- Read one word at a time.
- Decide quickly if you know it.
- Mark verbs in green.
- Mark adjectives in red.
- Review the meaning in context after marking.

Teacher note

Some words in the original source list can function as more than one part of speech depending on context. This booklet places words in the category that is most useful for a fast beginner recognition activity.
